The above is intended as a guide as to the services we provide. Where schools wish to create a bespoke offering, we are happy to discuss options further and provide a quote based on your specific requirements.

*Lead Instructor will oversee the NLD Instructors during Expedition or Training – a member of staff from the school will be responsible for the expedition as a whole.

*The Course Director has full control and is responsible for safety and logistics during the Expedition or Training.

No Limits Development also offer expeditions with alternative and mixed modes of transport, at all levels of the award. To allow us to provide the best product and price, please get in touch for a bespoke quote			

No Limits Development understands that all schools will have different numbers, requirements, and objectives. We are therefore happy to provide bespoke quotes for each client.

Staff Only Service

This service is for schools who organise and manage their expeditions in-house and only require additional qualified staff for training days and expeditions. The No Limits Development "staff only" option is a convenient and cost-effective means for schools to deliver their expeditions. Schools should have a nominated lead teacher to take overall responsibility of logistics and coordination of the expedition. The lead teacher will be asked to complete our pre-expedition information document to ensure our instructors have the information they require ahead of the expedition.

Staff Only Rate

£250 per instructor per day.

One off/ Add on services

In addition to the above packages, we can also support your school through the following additional expedition support options:

- Bespoke Route checking service, routes and route cards emailed to NLD and sent back with feedback.
- Staff Training, Mentoring and Technical Advice
 - In house staff training to enable you to deliver your own participant training
 - Session plans and guidance to support your own training programme.
 - External NGB and First Aid Courses
- Administrative support
 - DofE Paperwork
 - Route Checking and Feedback

All prices for this can be discussed on your individual requirements.

*All prices exclude VAT.
